Experience

Tech Forest

Full Stack Web Developer I Sep 2021 - May 2023

As a developer at Tech Forest, I contributed to innovative web projects, collaborating with a talented team. I worked on front-end and back-end development, utilizing technologies like React, HTML, CSS, and JavaScript.

- Collaborated with a team to develop and maintain web applications.
- Implemented front-end features using HTML, CSS, and JavaScript.
- Used MongoDB For database
- Utilized Node.js and Express for back-end development.
- Developed responsive and interactive user interfaces using React and Next.js.
- Assisted in troubleshooting and bug fixing.
